

Table of Contents:

I. GENERAL

1. Structure and Function of the Skin
2. Morphology of Primary and Secondary Skin Lesions
3. Diagnostic Techniques

II. INHERITED DISORDERS

4. Disorders of Keratinization
5. Neurocutaneous Disorders
6. Mechanobullous Disorders

III. INFLAMMATORY DISORDERS

7. Papulosquamous Skin Eruptions
8. Eczema Dermatitis
9. Contact Dermatitis
10. Vesiculobullous Disorders
11. Pustular Eruptions
12. Lichenoid Skin Eruptions
13. Granulomatous Diseases of the Skin
14. Drug Eruptions
15. Vasculitis
16. Deposition Disorders
17. Photosensitive Dermatitis
18. Disorders of Pigmentation
19. Panniculitis
20. Alopecia
21. Acne and Acneiform Eruptions
22. Autoimmune Connective Tissue Diseases
23. Urticaria and Angioedema

IV. INFECTIONS AND INFESTATIONS

- 24. Viral Exanthems
- 25. Bullous Viral Eruptions
- 26. Warts and Molluscum Contagiosum
- 27. Bacterial Infections
- 28. Sexually Transmitted Diseases
- 29. Mycobacterial Infections
- 30. Superficial Fungal Infections
- 31. Deep Fungal Infections
- 32. Parasitic Infestations
- 33. Arthropod Bites and Stings

V. CUTANEOUS MANIFESTATIONS OF INTERNAL DISEASES

- 34. Cutaneous Manifestations of Internal Malignancy
- 35. Cutaneous Manifestations of Endocrinologic Disease
- 36. Skin Signs of Gastrointestinal Disease
- 37. Cutaneous Manifestations of Renal Disease
- 38. Cutaneous Manifestations of AIDS
- 39. Cutaneous Signs of Nutritional Disturbances

VI. BENIGN TUMORS OF THE SKIN

- 40. Benign Melanocytic Tumors
- 41. Vascular and Lymphatic Neoplasms
- 42. Fibrous Tumors of the Skin

VII. MALIGNANT TUMORS OF THE SKIN

- 43. Common Cutaneous Malignancies
- 44. Melanoma
- 45. Leukemic and Lymphomatous Infiltrates of the Skin
- 46. Uncommon Malignant Tumors of the Skin

47. Cutaneous Metastases

VIII. TREATMENT OF SKIN DISORDERS

48. Sunscreens and Prevention of Skin Cancer

49. Topical Steroids

50. Fundamentals of Cutaneous Surgery

51. Cryosurgery

52. Mohs Surgery

53. Lasers in Dermatology

54. Therapeutic Photomedicine

55. Retinoids

IX. SPECIAL PATIENT POPULATIONS

56. Neonatal Infections

57. Pediatric Dermatology

58. Geriatric Dermatology

59. Dermatoses of Pregnancy

60. Disorders of the Female Genitalia

61. Disorders of the Male Genitalia

62. Disorders of the Oral Mucosa

63. Special Considerations in Skin of Color

64. Cultural Dermatology

X. EMERGENCIES AND MISCELLANEOUS PROBLEMS

65. Dermatologic Emergencies

66. Occupational Dermatology

67. Psychocutaneous Diseases

68. Approaching the Pruritic Patient

69. Nail Disorders

70. Dermatologic Trivia
