

# Contents

## Part I Introduction

<b>1</b>	<b>Introduction.....</b>	3
	Adam J. Cohen and David A. Weinberg	
<b>2</b>	<b>The History of Ptosis Surgery.....</b>	5
	Mithra O. Gonzalez and Vikram D. Durairaj	
<b>3</b>	<b>Eyelid Anatomy and Physiology with Reference to Blepharoptosis.....</b>	13
	Jonathan J. Dutton and Bartley R. Frueh	

## Part II Approach to the Ptosis Patient

<b>4</b>	<b>Risk Factor Assessment Prior to Ptosis Surgery.....</b>	29
	David I. Silbert	
<b>5</b>	<b>Ptosis: Nailing the Diagnosis and Considering the Differential Diagnosis .....</b>	37
	Geoff Wilcsek and Ian C. Francis	
<b>6</b>	<b>Preoperative Decision Making in Ptosis Surgery.....</b>	49
	Chris Thiagarajah and Robert Kersten	

## Part III Ptosis Subtypes

<b>7</b>	<b>Pseudoptosis.....</b>	61
	Adam J. Cohen and David A. Weinberg	
<b>8</b>	<b>Congenital Ptosis.....</b>	67
	Edward J. Wladis and Dale R. Meyer	
<b>9</b>	<b>Involutorial Ptosis.....</b>	73
	Jose Luis Tovilla	

<b>10</b>	<b>Myogenic Ptosis .....</b>	79
	Natan D. Kahn and David A. Weinberg	
<b>11</b>	<b>Myasthenia Gravis .....</b>	107
	Ippolit C. A. Matjucha	
<b>12</b>	<b>Neurogenic Blepharoptosis.....</b>	115
	Jonathan W. Kim	
<b>13</b>	<b>Traumatic Blepharoptosis .....</b>	129
	Nariman S. Boyle and Eli L. Chang	
<b>14</b>	<b>Anophthalmic Ptosis .....</b>	141
	Ann P. Murchison and Jurij R. Bilyk	
<b>15</b>	<b>Lash Ptosis .....</b>	147
	Renzo A. Zaldívar, Michael S. Lee, and Andrew R. Harrison	

#### **Part IV Treatment**

<b>16</b>	<b>The Nonsurgical Treatment of Ptosis .....</b>	155
	Ippolit C. A. Matjucha	
<b>17</b>	<b>External Levator Resection.....</b>	163
	Morris E. Hartstein, Natan D. Kahn, and David A. Weinberg	
<b>18</b>	<b>Minimal Dissection, Small Incision Ptosis Correction.....</b>	175
	Bartley R. Frueh	
<b>19</b>	<b>Müller's Muscle-Conjunctival Resection (Posterior Approach) .....</b>	179
	Adam J. Cohen and David A. Weinberg	
<b>20</b>	<b>Open-Sky (Anterior Approach) Müller's Muscle Resection for the Correction of Blepharoptosis.....</b>	189
	Heather Baldwin	
<b>21</b>	<b>The Fasanella–Servat Procedure for Ptosis .....</b>	197
	Kim Jebohsingh, James Oestreicher, and John T. Harvey	
<b>22</b>	<b>Full-Thickness Eyelid Resection for Blepharoptosis Correction .....</b>	207
	Shu-Hong Chang and Norm Shorr	
<b>23</b>	<b>Frontalis Suspension for the Correction of Blepharoptosis.....</b>	217
	Eve E. Moscato and Stuart R. Seiff	

**Part V Other Considerations**

<b>24 In-Office Surgery, Anesthesia, and Analgesia .....</b>	231
C. Robert Bernardino	
<b>25 Ethnic and Gender Considerations in Ptosis Surgery .....</b>	243
Jed Poll and Michael T. Yen	
<b>26 Aesthetic Considerations for the Ptosis Surgeon .....</b>	249
Adam J. Cohen and David A. Weinberg	
<b>27 Challenging Ptosis Scenarios .....</b>	253
John B. Holds, Adam G. Buchanan, Morris Hartstein, David A. Weinberg, and Adam J. Cohen	
<b>28 Ptosis Surgery: Comparing Different Surgical Techniques .....</b>	263
Alon Skaat and Guy Jonathan Ben Simon	
<b>29 Ptosis Surgery Failure and Reoperation .....</b>	269
Jill Melicher and Jefferey A. Nerad	
<b>30 Complications of Ptosis Repair: Prevention and Management.....</b>	275
Milad Hakimbashi, Don O. Kikkawa, and Bobby S. Korn	
<b>31 Commentary: Perspective of a Risk Manager: 12 Steps of a Successful Surgical Encounter .....</b>	289
John Shore	
<b>32 Conclusion .....</b>	301
Adam J. Cohen and David A. Weinberg	
<b>Index.....</b>	303
