Preface	III
Authors	V
Contents	IX
1 From René Leriche to our days: definition, epidemiology, and clinical presentation of aorto iliac steno-occlusive disease <i>Antonino Giordano, Massimo Lenti</i>	1
2 Diagnostic evaluation of aorto-iliac disease <i>Maria Antonella Ruffino, Riccardo Faletti</i>	7
3 Open Surgical Repair: What Is Its Value In The 21 st Century? <i>Nicola Favia, Andrea Kahlberg, Germano Melissano, Roberto Chiesa</i>	15
4 Hybrid approach for complex aortoiliac occlusive disease: when and why? <i>Tommaso Donati, Nicolò Peluso, Laura Rascio, Yamume Tshomba</i>	22
5 Complex iliac disease: bare metal versus covered stents <i>Francesco Squizzato, Andrea Spertino, Marco James Bilato, Michele Piazza, Franco Grego, Michele Antonello</i>	30
6 Covered endovascular reconstruction of aortic bifurcation and kissing stent for aortoiliac occlusive disease <i>Gianmarco de Donato, Edoardo Pasqui, Brenda Brancaccio, Giulia Ferrante, Giuseppe Galzerano, Alessandro Cappelli, Giancarlo Palasciano</i>	38
7 Endovascular aortoiliac reconstruction for steno-occlusive disease: the cost-effectiveness perspective <i>Elda Chiara Colacchio, Michele Antonello, Franco Grego, Michele Piazza</i>	45
8 Intravascular lithotripsy in aortoiliac occlusive lesion <i>Arnaldo Ippoliti, Stefano Fazzini</i>	50
9 Acute occlusion of the native aortoiliac district: what to do? <i>Andrea Ferri, Mattia Migliari, Antonio Lauricella, Luca Farchioni, Tea Covic, Nicola Leone, Roberto Silingardi</i>	57

10	Acute limb occlusion after endovascular aortic repair <i>Mohammad Abualhin, Alessia Pini, Alessia Sonetto, Enrico Gallitto, Rodolfo Pini, Paolo Spath, Gianluca Faggioli, Mauro Gargiulo</i>	65
11	The role of a unibody stent graft in complex aortoiliac lesions <i>Francesco Speciale, Wassim Mansour, Pasqualino Sirignano</i>	74
12	Medical management and diagnostic follow-up <i>Antonio Freyrie, Alberto Bramucci, Anna Giulia Carli, Alessandro Ucci, Claudio Bianchini Massoni</i>	81
13	Aortoiliac occlusive disease and erectile dysfunction: the underestimated relation <i>Gianmarco de Donato, Edoardo Pasqui, Giulia Casilli, Bruno Gargiulo, Giuseppe Galzerano, Alessandro Cappelli, Giancarlo Palasciano</i>	86
14	Endovascular treatment of external iliac artery occlusion <i>Carmen González Canga, Ahmad Amer Zanabali Al-Sibbai, Lino Antonio Cambor Santervas, Manuel Alonso Pérez</i>	94
15	Delayed complete aortic endograft thrombotic occlusion treated by kissing balloon-expandable covered stents and a double renal chimney <i>Edoardo Pasqui, Gianmarco de Donato, Giuseppe Galzerano, Alessandro Cappelli, Giancarlo Palasciano</i>	100
16	Endovascular treatment of aortoiliac obstructive disease associated with aortic thrombosis <i>Michele Piazza, Francesco Squizzato, Marco James Bilato, Michele Antonello</i>	104
17	Concomitant abdominal aortic aneurysm and complex iliac occlusion: a tailored hybrid approach <i>Pasqualino Sirignano, Carmen Emanuela Setteducati, Francesco Aloisi, Maurizio Taurino</i>	109
18	Hybrid revascularization for iliac occlusive disease with common femoral artery involvement <i>Massimo Sponza, Annarita Dapoto</i>	112
19	Unusual treatment for complex splanchnic aortic aneurysm recurrence after previous tevar and evar <i>Antonio Ferrari, Federico Fusaro, Federica Schirru, Marco Erta, Simona Corraïne, Simone Comelli</i>	119
20	Juxtarenal aortic occlusion and endovascular management with a chimney graft in the renal arteries <i>Gian Franco Fadda, Franco Piredda, Sandro Ciccarello, Costantino L. Di Angelo</i>	121
