

CONTENTS

Chapter 1 - Advances in intramedullary nailing of tibia fractures: suprapatellar entry point in semi-extended position **1**

Massimo "Max" Morandi

Andrea Pizzoli, Luigi Branca Vergano, Danilo Chirillo, Enrico Raspino, Nicola Mondanelli, Sebastiano Mangano, Giulio Bruno, Pierfrancesco Perani, Federico Ruggeri, Iacopo Castellini, Livia Gabriele, Massimo Sangiovanni, Giovanni Zatti, Michele Cocuzza, Claudio Bonizzoni, Luca Briatico Vangosa, Fabio Di Giovanni, Yuri Gazzoli, Massimiliano Mosca, Paolo Parchi, Carlo Sugameli, Salvo Caruso, Michele Francesco Surace

Chapter 2 - Intramedullary nailing of femoral fractures **15**

Giulio Maccauro, Domenico De Mauro

Chapter 3 - Control and correction of rotational alignment in femoral and tibial nailing **25**

Paolo Bastia, Alberto Maurizio, Lapo De Luca, Luigi Branca Vergano

Chapter 4 - Antibacterial and antibiotic coated nails: clinical indications and rationale for use **45**

Lapo De Luca, Paolo Bastia, Elisa Fait, Luigi Branca Vergano

Chapter 5 - Antegrade humeral intramedullary nailing **63**

Fabio Celli, Guido Zampar, Pierfrancesco Perani

Chapter 6 - How to facilitate the insertion of distal locking screws in Intramedullary Nails **73**

Livia Gabriele, Iacopo Castellini, Pierfrancesco Perani, Massimo "Max" Morandi, Federico Ruggeri

Chapter 7 - Tibio-Talo-Calcaneal (TTC) fusion arthroscopic assisted: hints and tips **79**

Alexandros Eleftheropoulos, Ioannis Vasiadis

Chapter 8 - The critical role of true-to-scale imaging in preoperative planning for limb lengthening surgery with Intramedullary Nails: comparing the reliability of EOS, CT and long-standing roentgenograms **89**

Burak Abay, Yigit Atalay, Metin Küçükkaya

Chapter 9 - Retrograde tibial nailing **97**

Tommaso Tinelli, Elisa Troiano, Giovanni B. Colasanti, Stefano Giannotti, Nicola Mondanelli

Chapter 10 - Intramedullary nail fixation in impending and pathologic fracture of the long bones **115**

Roberto Scanferla, Filippo Leggeri, Francesco Muratori, Domenico Andrea Campanacci

Chapter 11 - Antibiotic cement-coated Intramedullary Nails using the ABC nail mold for the treatment of intramedullary osteomyelitis **127**

Rahul Vaidya
